PROFESSIONAL SUMMARY

Producer and Production Manager with 10+ years of experience delivering branded, digital, social, political, podcast, and documentary projects from concept through final delivery. Skilled in budgeting, scheduling, crew and vendor coordination, logistics, client communication, and post-production, with hands-on editorial and presentation capabilities.

EXPERIENCE

Producer / Production Manager / Editor

June 2020 – Present

RRR Creative Production

- Lead projects from development and pre-production through production, post-production, client approvals, and final delivery across social, branded, political, podcast, documentary, and digital content.
- Produced a 10-episode educational video series that generated more than \$1M in revenue and was featured in Forbes.
- Directed, produced, and edited the award-winning feature documentary South Beach Shark Club, overseeing production, archival licensing, post-production, distribution, marketing, and release.
- Manage budgets, timelines, crews, vendors, locations, logistics, editorial workflows, and deliverables across multiple concurrent projects.
- Produce social video content for a political campaign, including short-form interviews, issue-focused videos, and rapid-turnaround digital assets.
- Produce, record, and edit video and audio podcast content and create short-form social assets from long-form recordings.
- Develop film and television pitch decks and creative presentations that translate concepts into clear visual and production strategies.
- Represent projects through public presentations, film festival panels, screenings, and audience Q&As.

Project Management / Art Direction

August 2018 – June 2026

Nine & Eye

- Managed restaurant renovations, new builds, branded environments, and live-event projects through on-site execution.
- Coordinated contractors, designers, architects, fabricators, vendors, ownership teams, and external partners while managing shifting schedules and production needs.
- Served as central point of communication across stakeholders, proactively resolving logistical and execution challenges.
- Supported projects and activations for clients including Formula 1, Gucci, Tiffany & Co., and JPMorgan.

Founder / Operations Lead

September 2023 – May 2026

Miami Pro Rentals

- Founded and operated an event and production equipment rental company supporting film, content, and live-event productions.
- Managed client bookings, estimates, scheduling, inventory, equipment logistics, transportation, and on-site coordination.
- Coordinated overlapping productions and changing timelines while ensuring crews and clients had needed equipment and support.
